

Do more with less through complementary Stretch IT Workshop

Economic headwinds are blowing. You're expected to do more with less. It's not a matter of "if", but when belt-tightening edicts will come.

Do you have a Cost Take-Out strategy?

With Celsior by your side, you'll get a do-it-with-you approach to help make informed decisions that address the urgent needs of today while caring for your desired future.

Cost Take-Out

Improve Utilization

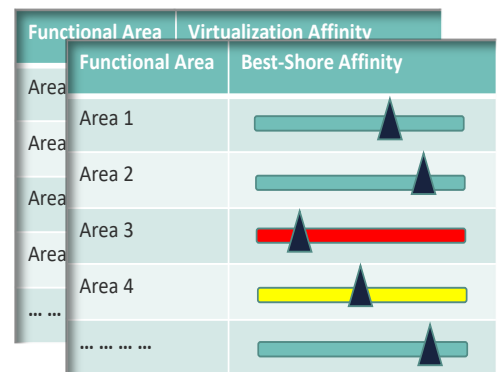

Keep the Lights On (Optimization)

Address today's challenges, and self-fund tomorrow's innovation

An "Art of the Possible" workshop

- Sharing thought leadership, real-world experiences with other clients, outcomes and lessons learned
- Applicable "what-if?" scenarios
- Affinity modeling tools to identify and prioritize quick wins.

No-cost 90-minute Stretch IT Workshop

A do-it-with-you approach to identify quick wins to enable cost reductions while mitigating the impact on operations.

"Stretch IT" Workshop

This free, 90-minute workshop is facilitated by Celsior thought leaders. It engages senior IT and finance leadership who collectively share insights about effective techniques for stretching IT budgets. It focuses on the "Art of the Possible", based on experience with what really works, and guides you to discover quick wins while mitigating risk and impact.

"Stretch IT" workshop provides meaningful insights about:

- Current business imperatives and IT implications
- State of the market and available data levers
- Applying levers to the client context
- What if scenarios
- Next steps for pursuing actions

Workshop FAQ:

- Who should attend? CIO/VP IT and CFO/VP Finance.
- Time commitment? 90-minutes (plus some light prep).
- Where? Your location, or one of ours.
- Interested? 30-minute discussion with Celsior to learn more.
